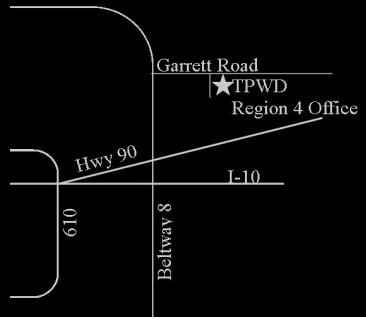
Wetland Field Day at Sheldon Lake State Park

Date: October 29, 2015

Time: 8:30am-3:30pm

14200 Garrett Road,
Houston, TX 77044



The Sheldon Lake Prairie Wetland restoration represents a new, unique approach to restoring critical freshwater wetland systems. Join the Field Day with:

- Presentations by local experts
- Site visit to restored wetlands
- Lunch provided
- CEU certificates available

Sheldon Lake State Park & Environmental Learning Center is a 2,800 acre outdoor education and recreation facility located in northeast Harris County.

Texas A&M AgriLife Extension · Sea Grant Texas · Texas Parks & Wildlife · TSSWCB · EPA · SWCA Environmental Consultants · Hornco, LLC · Greenmark Environmental
