

# TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

October 13, 2016:  
8:00 am - 12:00 pm

Myers Park & Event Center  
7117 Co Rd 166  
McKinney, TX 75071

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Lavon Lake watershed and efforts by the North Texas Municipal Water District and area residents to improve and protect it. Lite refreshments will be provided. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
