

Texas Watershed Stewards

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

January 27, 2011: 8:00am-4pm

Panna Maria Dining Hall
13912 N. FM 81
Panna Maria, TX 78144

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in Lower Cibolo Creek Watershed as well as efforts by the San Antonio River Authority (SARA) and area residents to help improve water resources and the health of the surrounding watershed.

Pre-register for the workshop by going to:
