

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

June 12, 2012:
8:00 am - 4 pm

American Legion Hall
145 American Legion Road
Smithville, TX 78957

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Colorado River as well as efforts by Environmental Stewardship, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds in Bastrop County. For information visit: www.environmentstewardship.org

Colorado River

Pre-register for the workshop by going to:
