

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

January 9, 2015:
1:00 pm - 5:00 pm

Austin County Courthouse
Basement Meeting Room
1 E Main St.
Bellville, TX 77418

Mill Creek

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues associated with Mill Creek including efforts by the Texas Commission on Environmental Quality, Texas State Soil and Water Conservation Board, Houston-Galveston Area Council and area residents to help improve water resources and the health of the surrounding watersheds. For information visit:
