

# TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

April 18, 2012:  
8:00 am - 4 pm

Victoria Educational Gardens  
283 Bachelor Drive  
Victoria, TX 77904

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the San Antonio Bay Watershed as well as efforts by the San Antonio Bay Partnership, Coastal Bend Bays and Estuaries Program, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds. For project information visit: [www.sabaypartnership.org](http://www.sabaypartnership.org)
