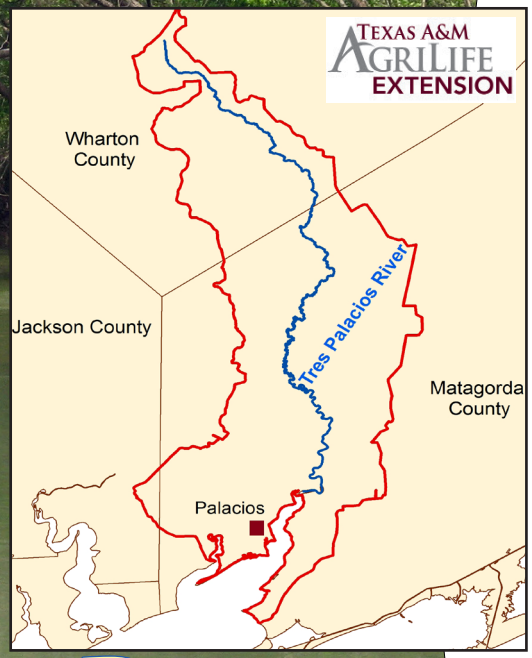
# TEXAS Watershed Steward



## Tres Palacios River & Bay

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**April 21, 2015:**
**1:00 pm - 5:00 pm**

First United Methodist Church
209 Lucas Avenue
Palacios, TX 77465

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues associated with the Tres Palacios River and Tes Palacios Bay including efforts by the Texas State Soil and Water Conservation Board, Texas Water Resources Institute, and area residents to help improve water resources and the health of the surrounding watersheds. For information visit:
