

# 2017 TEXAS CONSERVATION AWARDS PROGRAM

The Texas State Soil and Water Conservation Board (TSSWCB) and the Association of Texas Soil and Water Conservation Districts (ATSWCD), as directing sponsors of the Texas Conservation Awards Program, are pleased to join the 216 Texas soil and water conservation districts in the quest for area winners during 2017.

**AREA AWARDS BANQUETS**  
(Locations to be determined)

AREA I ..... Panhandle & Northwest Texas

AREA II ..... Southwest Texas

AREA III ..... South Texas

AREA IV ..... East Texas

AREA V ..... Central & North Texas

**ENTRY DEADLINE: Entries must be postmarked by February 15, 2017.**

(Each district is eligible to enter all categories.)

**Mail entry to: TSSWCB, P.O. Box 658, Temple, TX 76503**

## **2017 TEXAS CONSERVATION AWARDS PROGRAM**

### **PURPOSE:**

To acknowledge, recognize and honor those who dedicate themselves and their talents to the conservation and wise use of our renewable natural resources. The conservation awards program provides competition and incentives to expand and improve conservation efforts, resource development, and increase the wise utilization of our renewable natural resources. As a result, soil and water conservation districts and both rural and urban citizens of Texas are benefited.

### **CATEGORIES:**

1. Outstanding Conservation District
2. Conservation Rancher
3. Conservation Farmer
4. Essay Contest (Jr. and Sr. divisions)
5. Poster Contest
6. Friend Of Conservation
7. Conservation Teacher
8. Wildlife Conservationist
9. Forestry Conservationist (Area IV Only)

### **GUIDELINES:**

- Participation in any or all categories of the awards program shall be voluntary. However, to participate, a district is required to contribute financial support to the awards program (annual specified amount).
- All award contributions made to the ATSWCD for this purpose will be held and utilized in a separate and sole purpose account.
- Each area awards program will consist of opportunities to enter award categories selected for your area of the state administered under the same procedures. Awards banquets will be conducted on a standard format and standard awards should be presented in each area.
- Each district is eligible to submit one entry in each category as determined in your area of the state. (However, a district may submit up to two entries in both the essay and poster contests.)
- Entry material will be distributed in the fall of each year. Each awards packet will have a cover letter explaining exact entry procedures and the categories that may be entered for that year.
- Entry material is limited to the supporting information required on each entry form. Noncompliance with this rule will be counted against an entry.

## GUIDELINES (continued):

- Entries must be postmarked by **February 15** each year unless this date falls on a Saturday, Sunday, or holiday. In this instance, entries must be postmarked on the the next business day.
- **Districts should mail entries to: Texas State Soil and Water Conservation Board  
P O Box 658  
Temple, TX 76503**
- Entries will be judged to select winners in each category. (A runner-up may be selected in any category.) First, second, and third place winners will be named in the poster and essay contests.
- Area winners in the poster and essay contest; Outstanding Conservation District; Conservation Farmer; Conservation Rancher; Friend of Conservation; Wildlife Conservationist and Conservation Teacher will be judged to select a state winner. The state winners will each be presented a plaque at the Annual State Meeting of Soil and Water Conservation District Directors.
- Winners of the poster and essay contest in each area are required to have at least one digital photograph of the individual whose work is to be recognized.
- The names of winners should be submitted to districts by April. TSSWCB will distribute a press release acknowledging the state winners.
- The location of each area awards banquet will be determined before winners are announced each year.
- Each district with a winning entry is responsible for transporting winners to the awards banquet. Complimentary tickets to the banquet will be provided to the winners and spouses (or family) by the district that submitted the entry.
- A conservation district that has been selected as a first place winner within the immediate past two years (2015, 2016) shall not be considered in that same category as a first place winner. There is no time limit on all other categories.
- SWCD directors, State Soil and Water Conservation Board members, State Soil and Water Conservation Board employees, and dependent members of the above mentioned individuals' households are **NOT** eligible to compete in the Texas Conservation Awards Program.(Exception: Children of the above mentioned individuals may compete in the Poster and Essay contests.)

## **ADMINISTRATION:**

- The State Soil and Water Conservation Board employees will be responsible for assisting districts with information and guidelines and concerning the Texas Conservation Awards Program.
- An operating budget will be developed each year to determine the anticipated cost of administering the awards program. An Awards Committee shall submit the budget to both the TSSWCB and ATSWCD.
- The operating budget shall consider only the cost of awards, printing and postage. (Each awards banquet and related expenses should be self-sustaining.)
- The Awards Committee, with approval from the TSSWCB and ATSWCD, is also responsible for selection of the banquet site and outline of the banquet program.
- Judging of all entries shall be the responsibility of the State Soil and Water Conservation Board Judging Committee. The committee is comprised of Outside groups or individuals with a background in agriculture, soil and water conservation. Judging Criteria should be based upon the quality of the entry and conservation promotion. If there is an instance of entries of equal quality, judges should consider the format and observance of instructions in preparing the entry. Score sheets are attached to this packet.
- An area may select a runner-up in each category. This selection should be based upon the quality of entries in each individual category.
- Outside groups, firms, or individuals are welcome to assist in sponsoring and assisting with promotion of the Texas Conservation Awards Program.
- Funds received to carry out the area awards program shall be deposited into an account separate from any other funds.
- The management of all funds relating to the awards program will be the responsibility of the Executive Director of the State Soil and Water Conservation Board and the President of the Association of Texas Soil and Water Conservation Districts.

# TEXAS CONSERVATION AWARDS PROGRAM

## - CATEGORY SUMMARIES -

(Additional category explanations are listed on the entry forms)

### 1. OUTSTANDING CONSERVATION DISTRICT

Awarded to a soil and water conservation district in each of the five areas.

### 2. CONSERVATION RANCHER

Awarded to the outstanding conservation rancher in each area. *They **MAY** be a resident of the district or an absentee rancher.* They **MUST** perform ranching activities within the district and be a cooperator with the district from which the entry was submitted. The rancher may have other business or professional interests. If the ranch has a district approved Water Quality Management Plan and has incorporated water quality into their ranching activities the entry **MUST** demonstrate how the nominee has substantially implemented the plan.

### 3. CONSERVATION FARMER

Awarded to the outstanding conservation farmer in each area. *They **MAY** be a resident of the district or an absentee farmer.* They **MUST** perform farming activities within the district and be a cooperator with the district from which the entry was submitted. The farmer may have other business or professional interests. If the farm has a district approved Water Quality Management Plan and has incorporated water quality into their farming activities the entry **MUST** demonstrate how the nominee has substantially implemented the plan.

### 4. ESSAY CONTEST (Two Age Divisions—Junior: 13 and under and Senior: 14 to 18 years old)

Essay (topic for 2017: “**Why do we all need trees?**”) is to be submitted to local soil and water conservation districts for judging. Each local district will judge the entries and submit two essays in each age division to the Area Judging Committee for competition on the area level. Plaques will be awarded to 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place winners on the area level and state winners will be selected from the area winners. This contest is open to students 18 years and under, and who are considered eligible under Texas University Interscholastic League eligibility requirements.

### 5. POSTER CONTEST

Posters should address the following subject for 2017: “**We All Need Trees.**” Posters shall be submitted to local soil and water conservation districts for local judging. Each local district will judge the entries and submit two posters to the Area Judging Committee for competition on the area level. Plaques will be awarded to 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place winners on the area level and state winners will be selected from the area winners. This contest is open to students who are 12 years old and under and who are considered eligible under Texas University Interscholastic League eligibility requirements.

## **6. FRIEND OF CONSERVATION**

Awarded to an outstanding individual in the district who has rendered the most unselfish conservation service in each area. Any of the following may be considered and are eligible under this category. Representatives of the news media (radio, television, newspaper, magazines, etc.); local civic or community organizations; Chambers of Commerce; local units of government; business/professional individuals; or district employees/district volunteers that provide support to the district and local conservation efforts. This award is for practices as a whole not just for individual practices.

## **7. CONSERVATION TEACHER**

Awarded to the outstanding teacher of conservation in schools in each area. Teachers of all grade levels are eligible for this award. This includes junior colleges, universities and technical colleges in Texas.

## **8. WILDLIFE CONSERVATIONIST**

Awarded to the outstanding wildlife conservationist in each area. They **MUST** be a district cooperator who has incorporated wildlife conservation into their farming and ranching activities. They **MUST** perform wildlife related activities within the district and be a cooperator with the district from which the entry was submitted. The wildlife conservationist may have other business or professional interests. If the wildlife conservationist has a district approved Water Quality Management Plan and has incorporated water quality into their wildlife activities the entry **MUST** demonstrate how the nominee has substantially implemented the plan.

## **9. FORESTRY CONSERVATIONIST (Area IV only)**

Awarded to the outstanding forestry conservationist for an outstanding farm forestry conservation program. They **MUST** be a district cooperator or an individual who has implemented conservation practices on their land. They **MUST** perform forestry related activities within the district and be a cooperator with the district from which the entry was submitted. The forest landowner may have other business or professional interests. If the forester has a district approved Water Quality Management Plan and has incorporated water quality into their forestry activities the entry **MUST** demonstrate how the nominee has substantially implemented the plan.

The Conservation Farmer **MUST** be a District Cooperator who has or is currently performing conservation work on his or her land. Also, the individual's promotion/support of soil and water conservation and the district program should be considered. *The Farmer MAY be a resident of the Soil and Water Conservation District or may be an absentee farmer and may have other business or professional interests.*

Please provide a narrative **in a Power Point presentation** of the Conservation Farmer's activities. If the nominee has a district approved conservation plan (WQMP, EQIP, Wildlife Management Plan, etc.) it is required that the entry reflect the plan and that the entry demonstrates how the nominee has successfully implemented the plan. This narrative is important to the judging process and should not exceed five (5) minutes. Both a disc/CD and a hard copy are required for each entry. Only one award, per category, is to be put on a disc/CD. **An entry is limited to only 10 PowerPoint slides.**

Local winners, determined by the district, may be submitted for area competition. State winners will be selected from the five area winners.

# 2017 Texas Conservation Awards Program

## Essay Contest

**SUBJECT: “Why do we all need trees?”**

*Check the appropriate age division:*

**Junior: Ages 13 and under** — (Maximum of 300 words)

**Senior: Ages 14 to 18** — (Maximum of 500 words)

Please visit the stewardship website at <http://www.nacdnet.org/general-resources/stewardship-and-education-materials/> for information relating to this year’s theme. You may also contact your local soil and water conservation district for additional information.

ALL ENTRIES MUST BE TYPED

As you write your essay, you should remember:

- Write about soil and water conservation practices
- Make your writing interesting to the reader
- Make sure that each sentence you write helps the reader understand your essay
- Make sure that your ideas are clear and easy for the reader to follow
- Write about your ideas in detail so that the reader really understands what you are saying
- Check your work for correct spelling, capitalization, punctuation, grammar, and sentences

**PLEASE ATTACH THIS FORM TO EACH ENTRY**

This contest is open to students 12 years and under, and who are considered eligible under Texas University Interscholastic League eligibility requirements.

# Friend of Conservation

## 39th Annual Texas Conservation Awards Program

Sponsored by the  
**SOIL AND WATER CONSERVATION DISTRICTS OF TEXAS**

---

Conservation District Name & Number

---

Name of Nominee

---

Mailing Address

---

Type of Business

---

How long has the nominee assisted the soil and water conservation district?

**GUIDELINES:**

The purpose of this award is to recognize outstanding examples of financial, personal or other assistance that an individual has provided to a local soil and water conservation district program. The key qualification is a keen interest in and support of conservation and a record of outstanding contributions to the goals and programs of a district. News media; local civic or community organizations; units of government; business/professional individuals; conservation or district employees may be considered in this category for contributions, missionary work on behalf of the district and other activities that enrich and/or further the mission of the district program.

This award is **NOT** for conservation practices on the individual's own land.

Please provide a narrative **in a Power Point presentation** of the Conservation Friend's activities. A narrative is important to the judging process and should not exceed five (5) minutes. Both a disc/CD and a hard copy are required for each entry. Only one award, per category, is to be put on a disc/CD. **An entry is limited to only 10 PowerPoint slides.**

Local winners, determined by the district, may be submitted for area competition. State winners will be selected from the five area winners

# Conservation Teacher

## 39th Annual Texas Conservation Awards Program

Sponsored by the  
**SOIL AND WATER CONSERVATION DISTRICTS OF TEXAS**

---

Conservation District Name & Number

---

Name of Teacher

---

Grade Level and Teacher's Subject

---

Teacher's Mailing Address

---

School Name

### **GUIDELINES:**

Teachers of all grade levels are eligible, including Junior Colleges, Universities, and Technical Colleges in Texas. Briefly describe the nominee's conservation teaching activities. Please include a summary of the nominee's approach to teaching conservation through their subject matter. Please use the following guidelines:

1. Importance of conservation education in teacher's curriculum
  - Examples of the curriculum is taught and how the information presented.
2. Assistance from the community and resource specialists. (Who and How)
3. Program extension – in the community and into other curriculum areas.
