

LONE STAR HEALTHY STREAMS

<http://lshs.tamu.edu>

The Lone Star Healthy Streams program educates Texas livestock producers and landowners on how to best protect Texas waterways from bacterial contributions associated with livestock production and feral hogs. There is no cost to attend.

August 20, 2015: 10:00am-3:00pm

Jackson County Services Building
411 N. Wells
Edna, TX 77957

****3 General CEUs available for pesticide applicators****

Workshop presentations will focus on the Lavaca River Watershed and will discuss basic watershed function, water quality, and specific best management practices that can be implemented to help minimize bacterial contamination originating from beef cattle, horses, and feral hogs. Please RSVP by August 17th.

For more information and to RSVP for the workshop contact the Jackson County Extension Office at
361-782-3312
or by going to:
