

TEXAS Watershed Steward

Pecos River
Watershed

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

June 28, 8am-4pm
Pecos Community Hall
508 S. Oak Street
Pecos, TX 79772

June 29, 8am-4pm
Iraan Civic Center
9271 Alley Oop Lane
Iraan, TX 79744

The workshops will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Pecos River Watershed as well as efforts by the Texas Water Resources Institute, Texas State Soil and Water

Conservation Board and area residents to help improve water resources and the health of the surrounding watershed. For project information visit: <http://pecosbasin.tamu.edu/>

Pre-register for one of the workshops by going to: <http://tws.tamu.edu> or call 979.458.3478
