

Riparian & Stream Ecosystems Lower San Antonio River Watershed

December 7, 2016

8:30 a.m. - 4:30 p.m.

Kenedy City Auditorium

303 W. Main St, Kenedy, TX 78119

Online RSVP and Agenda: naturalresourcestraining.tamu.edu/schedule

For more information and to register please contact Nikki Dictson at 979-458-5915 or n-dictson@tamu.edu.

Continuing Education Units available: Texas Department of Agriculture Pesticide Applicators License – 3 CEUs; Texas Water Resources Institute – 1 CEU; Texas Nutrient Management Planning Specialists – 6 hours; Texas Floodplain Management Association – 7 CECs; Certified Crop Advisor - 7 CEUs; Texas Board of Professional Land Surveying - 7 hours; Texas Board of Architectural Examiners “Acceptable for HSW credit”; and CEUs for Professional Engineers.

The San Antonio River Authority, Karnes County AgriLife Extension and Texas Water Resources Institute are hosting this workshop. Instruction includes both indoor classroom presentations and outdoor field portion along the creek to discover the role of riparian vegetation in properly functioning riparian systems. A catered lunch is being sponsored by SARA and is available for participants with RSVP prior to November 30. Please remember to select either the catered lunch or if you will bring your own lunch. RSVP online at the link above or by mail by completing the form below and send to Nikki Dictson, 1500 Research Pkwy, Ste 110, College Station, TX 77843-2260.
