

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

January 26, 2016:
8:00am- 12:00 pm

Guadalupe County AgriLife Extension Office
210 E. Live Oak Street, Seguin, TX 78155

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Geronimo and Alligator Creeks Watershed and efforts by the Texas State Soil and Water Conservation Board, Geronimo and Alligator Creeks Watershed Partnership, and area residents to improve and protect it. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
