

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

March 28, 2013:
8:00 am - 4:00 pm

Lampasas County
Farm Bureau Building
1793 U.S. Hwy 281 N.
Lampasas, TX 76550

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Lampasas River watershed as well as efforts by Texas A&M AgriLife, Brazos River Authority, Local Governments, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds. For information visit:
