

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

May 22, 2014:
1:00 pm - 5:00 pm

Victoria Educational Gardens
283 Bachelor Drive
Victoria, TX 77904

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Lavaca-Navidad River Basin as well as efforts by the Texas Commission on Environmental Quality, Texas State Soil and Water Conservation Board, Texas Water Resources Institute, and area residents to help improve water resources and the health of the surrounding watersheds.
