

TEXAS Watershed Steward

The Texas Watershed Steward program is a free, one-day educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**August 30, 2012:
8:00 am - 4 pm**

Llano River Field Station

Texas Tech Center at Junction

254 Red Raider Lane

Junction, TX 76849

The workshop will provide an overview of water quality and watershed management in Texas. It will primarily focus on water quality issues in the Llano River as well as efforts by the South Llano Watershed Alliance, Texas Water Resources Institute, Texas Tech University, Texas Parks and Wildlife Department, Texas State Soil and Water Conservation Board, and area residents to help improve water resources and the health of the surrounding watersheds in the area. For information visit:
