

**TEXAS**  
**CONSERVATION DISTRICT DIRECTOR**  
**POSITION DESCRIPTION**

**POSITION OVERVIEW:**

A member of the Board of Directors of a Soil and Water Conservation District has the responsibility for assuring that Conservation District policies and practices enhance natural resources in his/her county. This requires the identification of local natural resource needs and issues, development of management strategies, development and setting of local policy, and coordination of local, state and federal resources. The position requires an individual to be: familiar with the district's resources; generally acquainted with the people and resource conservation problems of the district; and sufficiently concerned to search for and provide solutions to these problems assuring that Conservation District policies and practices enhance natural resources in his/her county.

**SPECIFIC DIRECTOR RESPONSIBILITIES INCLUDE BUT ARE NOT LIMITED TO:**

1. Be familiar with the Conservation District Law (Chapter 201 & 203 TX. Ag. Code). Know the powers, authorities, responsibilities, and limitations placed upon you by the law.
2. Attend all regular and special meetings of the district board.
3. Accept the responsibilities of any office to which you are appointed within the district board. You should serve on committees and present reports on their accomplishments and activities.
4. Accept responsibility for assuring the actions and policies of the district and its employees remain within the limitations of the Conservation District Law.
5. Set local policy to reflect the balanced need of the Community you represent.
6. Act as the conservation district representative in communicating district action, policy, etc. to your local community.
7. Develop, set and implement personnel policy and accept responsibility for the hiring and supervision of district staff.
8. Help to enroll landowners as cooperators with the district.
9. Attend state and national conservation district meetings and other meetings on behalf of the district to stay current with conservation issues and programs. When attending meetings on behalf of your district, make an effort to represent the feeling of your board as a whole, not just your personal feelings.
10. Pursue every avenue for additional funding to support district programs and initiatives.
11. Stay informed on conservation issues in your district and be familiar with all laws, policies, and programs important to your district.

12. Develop a working relationship with county commissioners, state and national legislators, agency officials, local municipal and county officials, and representatives of organizations which do or could cooperate with the conservation district.
13. Be thoroughly familiar with district programs and activities.
14. Be positive, innovative, and action-oriented.
15. Develop an annual budget, assure fiscal responsibility and provide financial statements.

### **POSITION REQUIREMENTS:**

All elected and appointed public officials are required by law to receive training in Texas open government law.

Individuals should be familiar with natural resource issues, policies, needs and programs relative to the local area. Individuals must meet the legal requirements for the director position being filled. Individuals must be capable of attending regular and special meetings of the district board under normal circumstances and locations.

A person must be an eligible voter, 18 years of age or older, who owns land within the numbered subdivision from which the person is appointed or elected and must be actively engaged in the business of farming or ranching. The person must live in a county all or part of which is in the district.

Individuals must have knowledge of the conservation problems in their district and have the ability to organize people and resources for effective action in controlling soil erosion, thereby making the land more productive. They should be willing to sacrifice personal interests for the good of the district and their community.
