

MINUTES
TEXAS STATE SOIL CONSERVATION BOARD
OCTOBER 12, 1945

The State Soil Conservation Board met in its offices at Temple, Texas, October 12, 1945 at 10 a.m. The meeting was called to order by C. M. Caraway who was selected as acting chairman. Other members present were J. P. Martin, and S. J. Payne. Others present were V. C. Marshall, Executive Director and Howard H. Goss, Chief of Engineering and Planning, and P. H. Walser, State Conservationist, Soil Conservation Service.

The minutes of the meeting of August 3, 1945 were read and approved. The Determination of Need for the creation of a soil conservation district in Coke County was considered and approved, however the residents of that part of Tom Green County adjoining Coke County were to be contacted to ascertain if they would be interested in joining with Coke County to form a soil conservation district, this to be done before further steps were taken on the original petition from Coke County.

The annexation of additional territory to the Toyah-Limpia Soil Conservation District was declared administratively practicable and feasible, no election having been held as there were less than 100 voters in this territory.

The elections having been held in the Cap Rock & Donley County Districts and the elections having been carried by 2/3 vote, it was determined that the operation of a soil conservation district in these areas was administratively practicable and feasible.

After some discussion of the Rio Grande Valley petition, a motion was made that the petition for annexation of all territory now included in a soil conservation district in Hidalgo and Cameron Counties for annexation to the Southmost District No. 319 be approved and an election ordered.

The motion was duly made and passed that the State Meeting of District Supervisors be held in Hillsboro, Texas, November 5th and 6th, 1945.

A motion was made and passed that no date for an election in the Kleberg County District be set until further action was taken by the Board.

No further business appearing, the Board adjourned at 4:30 p.m.
