

OFFICIAL MINUTES  
TEXAS STATE SOIL CONSERVATION BOARD  
September 9, 1957

The State Soil Conservation Board members assembled at Austin, Texas for the purpose of participating in Governor Price Daniel's 100-Man water committee. The purpose of this committee is to develop suitable Legislation that will enable the State of Texas to develop a master plan for surface water development.

Those present were A. F. Leesch, E. W. Wehman, J. C. Porter and J. S. Sharp, and A. C. Spencer. The meeting lasted from 10 a.m. until 5:30 p.m.
