*The applicant's signature indicates the answers to the above questions are provided in a truthful manner and represent the applicant's intentions on the signature date. As responses will be used for ranking purposes, a change in ranking position upon discovery of other conditions will occur, which could result in the loss of funding.

**The person that receives the request form on behalf of the district must sign and provide the date and time that it was submitted to the district for consideration. This information will be used in the event of a tie in the ranking process. The request form must be signed by the applicant prior to it being submitted to the district.

***A director's signature indicates that the district approved the request for cost-share incentive funding. Copies of all approved requests should be submitted to the appropriate TSSWCB regional office within seven days of the end of each month to be included in the next possible ranking opportunity.
